

## Fraser River Sunset Dinner Cruise Sponsorship Opportunity

This year the annual Fraser River Sunset Dinner Cruise is being held on Saturday, June 25th. Please join us for dinner aboard the historic MV Native Paddlewheeler and watch the sun set while floating upon one of the greatest salmon rivers in the world. The evening is our main fundraising event of the year, with proceeds going to the Sustainable Living Leadership Program (SLLP).

### About the Sustainable Living Leadership Program

Each summer, we take up to ten SLLP participants down the 1,400 km length of the Fraser River, by canoe, raft, shuttle van, and on foot. We start at the river's headwaters, near Valemount, BC, and journey the route of the salmon—all the way to where the mighty Fraser meets the Georgia Strait on the shores of Vancouver. Along the way, the SLLP participants travel through ten of BC's fourteen biogeoclimatic zones, study watersheds, salmon, resource management and how to lower their ecological footprint. They discuss what it means to live sustainably, learn about food security, voluntary simplicity and green economics. Team building, conflict resolution, communication and critical thinking are also part of this dynamic program.

The SLLP participants learn about sustainability, engage in leadership activities and experience breathtaking scenery while traveling the river. Each participant designs a sustainability project to implement in their home community upon their return.

This July will be our thirteenth Sustainable Living Leadership Program! Please consider helping us continue to offer this valuable program. A variety of sponsorship levels are available and are outlined on page 2.

Thank you for considering our request.

Sincerely,

Fin Donnelly  
RSBC Chair and Co-Founder  
(604) 941-5937
